# 2011

# BYOB Registration/Order Instructions

2011 brings a change we have mentioned several times on the internet and during the BONES meeting in January. We will be charging a $20 per truck/driver entry fee, all passengers are free. Included in the entry fee is one free T-shirt of your choice.

In effort to streamline registration we are hoping to get as many people as possible to pre-register/pre-purchase your BYOB products. As a reminder, we like to point out your purchases of food, shirts, stickers, and raffle prizes help to offset the expenses in holding a successful event. With that in mind we hope you will buy early and buy often! We are trying to get away from the PayPal fees and have provided a mailing address on the order form for your convenience.

Shipping will be available for persons unable to attend. Please contact seangaudette@hotmail.com for more information.

This year we have available for pre-purchase:

T-shirts: Men's, Women's and Children's sizes

Sweatshirts: uni-sex in black both in hooded and hoodless

Stickers: BYOB 2011

Food: by Karl Erickson.

Men's, Children's, and Sweatshirts will be Black.

Women's T's will be Violet.

A limited amount of items will be available that day but we did sell out of all products last year
