Advance Adapters Casting #51-2703

Due to changes made in production of Advance Adapters Casting # 51-2703, mounting JB Custom Fabrication's Type-3 and Type-4 Early Bronco stainless twin-stick shifters, are as follows:

Use included instructions for Pre 4-2015 version

Type- 3 (after 4-2015) replace washer between shifter and casting with aluminum spacer.

Type- 4 (after 4-2015) use longer (2- 1/2") shoulder bolt supplied with kit, and aluminum spacer between shifter and casting.
